Interested in sponsoring the 2019 Christina River Watershed Cleanup?

Since its inception in 1992, the Christina River Watershed Cleanup has grown to include more than 700 volunteers per year. Upwards of 14,000 people have removed debris from along the banks of the Christina River, Naamans Creek, White Clay Creek, and various other waterways around northern Delaware. This equates to more than 350 tons of tires, appliances, household items, and uncountable pieces of plastic and foam being cleared from the watershed over the past twenty-seven years.

As our planning committee prepares for the 2019 Cleanup, we would like to invite you to join the Artesian Water Company, City of Wilmington, Partnership for the Delaware Estuary, and Delaware Department of Natural Resources and Environmental Control, just to name a few, by donating towards this valuable environmental effort. There are many ways to assist with removing man-made debris from within the Christina River's beautiful watershed and the enclosed Sponsorship Commitment Form outlines two levels of support, as well as various supplies and services needed each year.

Your sponsorship will be recognized on banners at all 2019 Cleanup locations where volunteers sign in; pickup needed supplies; and sign out at the end of the day. **Sponsors providing donations of \$1000 or more will have their logos highlighted on these banners.** Every business/organization providing sponsorship for the 2019 Christina River Watershed Cleanup will also be promoted on the Cleanup's website: www.ChristinaRiverCleanup.org.

Consider joining the 28th Annual Christina River Watershed Cleanup on **Saturday, April 6, 2019** as a sponsor and a volunteer! Tax-deductible donations are made directly to the Christina Conservancy, a nonprofit 501(c) 3 organization. Checks should be made payable to **Christina Conservancy** and mailed with the enclosed sponsorship form to **1201 Orange Street, Suite 640, Wilmington, DE 19801**. Please visit our website for additional information, or feel free to contact us directly.

Very truly yours,

Shirley Posey
Cleanup Coordinator, DNREC
